-  Underfloor heating bathrooms

DESCRIPTION

What makes this residential project special is the spectacular panoramic views of two unique environments: the bay of Altea with the intense blue of the sea and the Alicante mountain range, its peaks, and its vegetation. Enjoy these magnificent landscapes from the terraces. The project consists 2 and 3-bedroom houses with 2 bathrooms or with 2 bathrooms and a toilet. In addition, the layout is designed to make your life more comfortable, betting on fluidity with open concept kitchens, fully furnished and equipped with appliances — countertop, induction hob, oven, extractor hood, and sink. The bathrooms are also equipped.

All units come with a parking space included in the price. There are different typologies available, so you can choose the one that best connects with what you are looking for. The large spaces allow you to take advantage of the privileged climate of the Costa Blanca while customising them to your liking. Their spaciousness is perfect for placing tables, chairs, loungers, or any type of outdoor furniture.

And there's more! Enjoy ample outdoor space to customize your oasis and soak up the renowned Costa Blanca sunshine. Adventure seekers can explore nearby hiking and biking trails, or challenge friends to a match on the paddle tennis courts. Golf enthusiasts will rejoice with prestigious courses like Villaitana Golf just a short drive away. Sports lovers, get ready for La Nucia Sports City, featuring top-notch facilities like the Ferrer Tennis Academy and Camilo Cano Olympic Stadium, alongside Spain's largest surf park!
