DESCRIPTION

Welcome to a unique residential project that invites you to experience the joy of an early morning jog, leisurely walks with your furry companion, and afternoons spent outdoors with your loved ones. This haven boasts vast open spaces, encompassing hills and lush green areas, creating a retreat just steps away from your doorstep. & amp13& amp13Modern-Day Living Redefined& amp13This development is not just a residence it sets the standard for contemporary living. With a design that boasts beautiful lines and volumes, every detail is meticulously crafted to create a space that truly feels like home. Contemporary in its essence, the houses are strategically oriented to face south and west, ensuring an abundance of sunlight and maximum energy efficiency. & amp13& amp13Open Spaces and Terraces& amp13Experience the pleasure of open spaces where design and light converge to accentuate every inch of the living space. The houses are adorned with expansive terraces and private gardens, becoming cherished spots for dining with friends, enjoying weekend breakfasts, or simply unwinding. Magnificent roof terraces offer breathtaking views throughout the year, creating a sanctuary above the everyday hustle and bustle. & amp13& amp13Bathrooms and Kitchen& amp13Indulge in rejuvenating or relaxing showers in modern, functional bathrooms equipped with shower screens, thermostatic taps, stylish washbasins, and countertops. The kitchen is a culinary haven, featuring contemporary furniture and state-of-the-art appliances such as an oven, hob, extractor, and microwave. Whether it&039s preparing for a gathering of friends or a special event, your kitchen is ready for every culinary adventure. & amp13& amp13Live, Breathe, and Experience& amp13This residential project is an invitation to live, breathe, and experience a harmonious blend of modernity and nature. It&039s not just a home it&039s a lifestyle where every detail is thoughtfully designed to enhance your living experience. Come and be a part of a community where the essence of contemporary living is seamlessly woven into the tapestry of natural surroundings. & amp13& amp13Prices starting from EUR 185. 000 to EUR 350. 000. & amp13& amp13A vailable apartments have 1 or 2. bedrooms with m2 from 52,90 m2 to the biggest apartment of 104,55 m2. & amp13& amp13Only 2 bedroom apartments of EUR269. 000 are available and finished.
