FEATURES

DESCRIPTION

New built luxury villa with large plot located in one of the highest areas of Calpe and Benissa, which means that you will be enjoying breathtaking panoramic sea views. This villa is distributed on three floors with high-quality materials: A semi-basement floor with a garage for two cars, an open area with more than 100 m2 for a gym, game rooms, and much more. There is also a lift which connects to all floors. On the ground floor, there is a living room, a kitchen, a courtesy toilet, a master bedroom with a dressing room, and an en suite bathroom. All have access to the pool terrace. The infinity swimming pool is 15 meters long. On the top floor, you will find three guest bedrooms, all of them with access to the covered terrace. The house also has underfloor heating and air conditioning conduits. A Mediterranean style garden with an automatic irrigation system is also included in the price.
