## DESCRIPTION

One of the last opportunities to acquire a detached villa at an affordable price. Ready to move in and with the possibility of adding different spaces to the personal taste of the future owner, such as a solarium from which to enjoy sea and mountain views, swimming pool, chill out area and different gardens. As the house is built on a single floor, it will make day-to-day tasks much easier. We access the house through a beautiful glazed terrace that gives us access to the living-dining room with fireplace. From here it is distributed into an en suite bedroom, a double bedroom and a single bedroom with the possibility of extending. There is also a kitchen and a complete bathroom. We have two exits to the outside from inside the house that give us access to the south patio with great possibilities of change. It is located in a quiet neighbourhood where privacy and peace reign. A few minutes from the centre of Dénia and close to the natural park of Montgó. For all this and more, do not miss this opportunity.
